Extra charges from excavation on street and public park area are charged from customer if the work is due to a reason attributable to the customer.			Penalty interest on bills paid after the due date shall be in accordance with the Interest Act. The valid penalty interest rate is stated on the bill. Interest and collection fees are charged in connection with the customer's next electricity bills. When electricity supply that has been disconnected due to unpaid bills is reconnected, the above-mentioned connection charges will be applied. Outstanding bills will be transferred to a collection agency for collection. No VAT is charged on fees stated without value added tax.		
Metering services⁵			¹ Remote electricity connections are carried out all times of the day. If the remote connection is unsuccessful, manual connection shall not be made between 21pm and 8am.		
Sealing of main fuse	<i>Free of charge</i>		² Connections and disconnections carried out between 8am and 3pm will be charged at regular price. The charge is double in connections carried out after 3pm.		
Installation or transfer of meter (max. 63 A)€/each	66.13	82.00	³ Work during holidays applies on midweek holidays and on Sundays. Work during Saturday is charged as overtime work. Travel time is charged according to the work hour price list.		
Installation or transfer of meter (> 63 A)€/each	200.00	248.00	⁴ To be charged if the engineer is unable to carry out the work due to a reason attributable to the customer. The cost of a wasted visit will be charged to the party the work was agreed with. The cost is also applied at fault situations, if Helen Sähköverkko's subcontractor is ordered by the customer and the fault is at customer's side of the network.		
Installation or transfer of medium-voltage meter €/each	500.00	620.00	⁵ Metering service work is carried out by subcontractors authorised by Helen Sähköverkko Oy.		
Replacement of instrument transformer €/each	150.00	186.00	⁶ The customer can request to verify the validity of the meter and metering. If there is a fault in the meter or metering or it fails to meet the general terms of contract or official regulations, no inspection fee will be charged.		
Removal of the meter	<i>Free of charge</i>		⁷ Connection of pulse line requires that the present meter used for billing purposes at the metering point has a pulse output. If the pulse line is connected in conjunction with other work, or if subsequent pulse line connections are made on the same work site, the work is charged according to the work per hour prices.		
Replacement and inspection of the meter ⁶ €/each	100.00	124.00
